Dear Mr. Lindblade;

Thank you for responding to our DX test which was held on March 28, 1977 between 1:00am - 2:00am CST on Radio Station WCMY 1430 Kilohertz WRKX FM 95.3 Megahertz. The two stations are owned by the Virginia Broadcasting Corporation. WCMY is a 500 watt non-directional daytime station located at 1430 Khz. WRKX is a 3000 watt stereo station with 3000 watts horizontal and vertical polarization. WCMY plays adult contempary music and WRKX plays country music. The test was held in co-operation with the Golden West D-X'ers Association.

YOUR RECIEVING OF RADIO STATION WCMY HAS BEEN CONFIRMED !!!!!

Myself Kent Hawthorne am responding since Chief Engineer Del Dayton is now looking for work as a chief engineer elsewhere. I am just a part timer that was helping Del out the night of the test. I am work on my first class phone. Thank you for helping us out.

Very Truly yours,

Kent Hawthorne
